North City Children's Centre keeps a record of every family we support and the contact we have had with them, on their behalf.

Your information will be safely stored in written and electronic format and can only be seen by staff at the centre.

North City Children's Centre and all other agencies we work with comply with the Data Protection Act 1998.

North City Children's Centre works together with other agencies to help make sure you and your family get the right help you need.

To do this, we need your consent to share information. You can withdraw your consent at any time.

Information about you and your family will only be shared with your consent. Unless:

- Where we strongly feel that a child or adult is at immediate risk of harm
- For the prevention or detection of crime
